Grayling Mill Pond Bridge Dedication - July 4th

Earl Longworth, Chairman of the Crawford County Board of Commissioners, has announced that the dedication of the new foot bridge over the Grayling Pond in the City Park will take place at the bridge site at 1:45 p.m. on Thursday, July 4th.

The Bridge will be dedicated to Leonard Knibbs who passed away on January 28, 1974. Mr. Knibbs was a member of the Crawford County Board of Commissioners from 1971 to 1974 and served as Chairman Pro-Tem of this governmental entity. He was also Grayling City Councilman from 1957 to 1961.

The Bridge was financed through the State of Michigan Recreational Bonding Program and authorized by the Crawford County Parks Commission chairman by Fred Kauffman.

The Bridge was erected by the 107th Engineering BN. Co. D. of the Michigan National Guard from Kingsford and Manistique, Michigan. This bridge leads from the Parking Area of the Grayling City Park to the Crawford County Historical Museum which will be dedicated on July 7th.

Summer Film Program at Frederic

The Summer Film Program will soon start at the Frederic Community Library which is located in the Frederic Town Hall. The dates the films will be shown are: July 11, July 18, July 25 and August 1st. The starting time will be 1:00 p.m. These are some of the films that will be shown, "Tom Thumb in King Arthur's Court," "Swimming," "Shoemakers and the Elves," "Clown," "Munro," "Peter and the Wolf" and "Korochan The Little Bear."

These film programs are for all children who are interested, and they are welcome to bring a friend.

from a severe head-on collision on M-72 last Tuesday.

The Guardsmen, members of the 1436 Engineers of Muskegon, came upon the accident scene shortly after it happened and aided the victims and kept a growing crowd away from the scene. In addition they helped load the victims, three adults and two small children, into an ambulance for transportation to Grayling hospital.

SSG Richard L. Thies, SP4 Robert J. Bourdage, SP4 Dan R. Scholz and SP4 James M. McNeice were enroute from the Howes Lake project to the camp when they came upon the accident.

"We stopped and did what we could to keep the victims comfortable and keep the on-lookers away from the scene," said SSG Thies. Gasoline leaking from one of the wrecked vehicles posed a potential fire hazard.

Kalkaska County Sheriff Woodman and Kalkaska Health Center Official Sam Williams had high praise for the actions of the Guardsmen.

Crawford Co. Drug Lab To Receive \$42,531 Grant

According to an announcement by Representative Ralph Ostling (R-Rosecommon) a number of federal anti-crime grants will be awarded to local communities on June 28. These grant awards have been authorized by the Michigan Office of Criminal Justice Program (OCJP).

"Crawford County will receive \$42,531 for Narcotic Identification Centers," Mr. Ostling said.

Federal grants made under the Crime Control Act of 1973 must be matched with local and state funds. The federal grant can be made for up to 90 percent of the cost of the project; the local units and the state split the remaining 10 percent.

"I am gratified that this grant will be made to Crawford County. Statistics indicate that the number of complaints and arrests for drug activity in the area covered by Crawford County Drug Identification Laboratory has steadily increased since 1969," Representative Ostling said.

"Obviously this is a much needed facility if we are to combat the ever-growing social and economic problem of violations of the Controlled Substance Act."

"The object is to provide law enforcement agencies with immediate access to laboratory analysis service for the identification of narcotics and dangerous drugs. The cost and time necessitated in traveling to the state laboratory in Lansing with a suspect specimen and the delay in waiting for the analysis of a sample sent by mail proved impractical," Mr. Ostling continued.

Mr. Ostling concluded that this project will continue the laboratory through funds for the personnel, additional training and travel expenses, operating costs and supplemental laboratory supplies and equipment.

Special Patrols By State Police During 4th Weekend

Michigan State Police patrols will give special attention to high risk road areas traveled by holiday weekend motorists from noon, Wednesday, July 3, to midnight, Sunday, July 7.

Col. John R. Plant, department director, has reported.

The director, reminding motorists that the maximum speed limit is 55 miles an hour, urged drivers to exercise greater care in congested traffic areas.

Plants noted that Michigan's traffic death toll so far this year

is more than 300 below the same period a year ago. That's a reduction of about 30 percent, a saving in lives he attributes to a large degree to the lowered speed limit.

The July 4 holiday last year for record purposes was a 30-hour period in which 13 persons were killed in traffic mishaps. The four-day period in 1972 had 48 deaths, one of the holiday's highest, while the three-day periods in 1969, 1970 and 1971 averaged 30 deaths.

Weekend traffic is expected to be heavy, since the holiday normally marks the start of increased summer travel and since there has been an apparent easing in the gas supply problem, Plants said.

Maximum patrol coverage will be in effect from 3 p.m. to 9 p.m. each day of the holiday weekend when traffic volume normally is heaviest.

Traffic accidents killed 19 persons in Michigan during the three-day Memorial Day weekend this year. That was seven less than the toll in 1973.

Vets' Notice

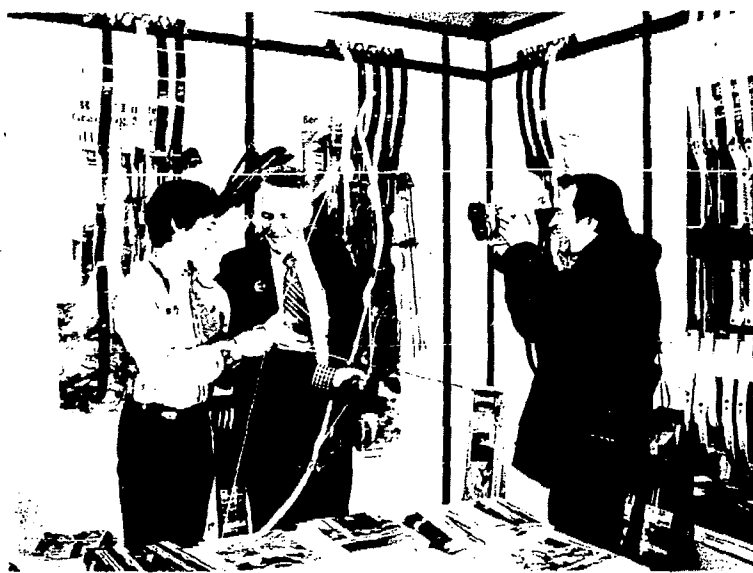

The Marine Corps League will have its Field Service Officer John Cummings, at the Court House in Grayling on July 10 and 24, 1974, from 9:00 a.m. to 3:00 p.m.

He will assist veterans their dependents and widows of deceased veterans in filing their claims with the Veterans Administration here in Detroit.

By Robert Gogoladze, Novosti Press Agency Correspondent

The International Sporting and Hunting Weapons exhibition was held in Moscow's Sokolniki Park March 26 to April 4. Forty-six companies and organizations from Austria, Belgium, Italy, the United States, France, West Germany, Czechoslovakia and Switzerland attended the show.

The American displays, undoubtedly, were the most popular. Bear Archery, Winchester and its subsidiary Olin Ski Company represented the United States.

Bear Archery, which specializes in hunting bows, exhibited 12 different models of bows, arrows, bow sights, targets, as well as bows and gear for fishing. Robert Kelly, vice president/marketing, said that he had not hoped for much success when he arrived in Moscow, but the first day of the exhibition showed that interest in bow hunting was very high in the USSR.

This was Winchester's first exhibition in the USSR and it had on view 113 guns, cartridges and a wide assortment of optical devices. According to Charles Rhodes, a representative of the firm, all the exhibit pieces were bought by the Soviet Union.

Guardsmen Will Return Here This Weekend

Following a quiet week at Camp Grayling, the second group of guardsmen will move in this coming weekend for their two week encampment, from July 6 to July 20.

Arriving here Saturday will be Michigan citizen-soldiers of the 157 Field Artillery Group from the Detroit area, totaling 1,576.

Joining the Michigan group, will be 700 U.S. Marine Corps Reserves, and 200 U.S. Army Reserves, for a total of 2,476 using the Camp Grayling facilities.

The third encampment will run from July 20 to Aug. 3, when 2,700 troops of the 107th Armored Cavalry Regiment of the Ohio National Guard will be here.

The 107th, originally, were scheduled to train in Texas, but were rescheduled here by 5th Army Headquarters, in San Antonio, Texas.

A total of 14,315 guardsmen will use the camp this summer, according to Col. Edmund Rutkowski, Camp Commander. The largest contingent numbering, 5,689, will be here the final two weeks, Aug. 3-17, Col. Rutkowski said.

Freedom-Lost Some-Gained Some

By Willard Bosserman, County Extension Director

Because this is our 198th anniversary of declaring our freedom from England, I thought I would write about freedom.

Over the past two hundred years of this great country of ours, we have lost some of the old time freedoms we once held dear. As our population became larger and more dense, we have had to curtail some of our

activities because of the affect it would have on some one else. Each year local, state and federal governments pass new laws restricting the individual in order to protect societal rights. Just one example is Michigan Act 347, the sedimentation act. This will curtail the individuals action when it comes to disrupting the earth's surface, but will protect societies' right to a cleaner environment.

This has been the route as our population grows and resources diminish. This is enacted.

Membership Drive Begins For Crawford Co. Historical Society

Mrs. James Forbes, Finance Chairman, announced today that letters will be mailed on June 30th to some 500 people in an effort to acquaint them with the establishment of the Crawford County Historical Society and asks for their support of the Society.

The main project of the Historical Society at this time is the Historical Museum which will hold their "Grand Opening - Dedication Program" on Sunday, July 7th, at 2:30 p.m.

Enclosed with the letter from the Crawford County Historical Society is a brief description of the types of memberships and their assessments. These include a "Special First-Year Charter Membership" - a one-time charge only and only available up to September 1, 1974 at \$150.00; a "Life Membership" - a one-time charge only at \$100.00. Also the following memberships which are an annual charge renewable yearly: a "Supporting Membership" at \$25.00; a "Family Membership" at \$15.00; an "Individual Membership" at \$5.00; and a "Student Membership" at \$2.00. The "Supporting Membership" is recommended for all businesses not participating in either the Special First-Year Charter or Life Memberships.

The membership drive will take place through September 1st, 1974.

Mrs. Walter F. Truettner, President of the Society, stresses the importance of active participation by all members of the community, and stated that the full range of memberships allows for all interested people to become members of the Society. She further asks that anyone not receiving a letter should so advise as it may have been an oversight as preparing a list of 500 names is no easy task.

T.U. Youth Program Underway

Directors of the George Mason Chapter of Trout Unlimited have begun a program to assist youngsters in the Grayling Area with the skills and knowledge necessary for success in Trout Fishing.

As they are well aware the future of Trout Fishing as a sport will soon be in the hands of our young people; recent arrangements with the Department of Natural Resources to restore a portion of the East Branch of the AuSable for young anglers only has been well received.

This area from the old Fish Hatchery to the Main Stream has been posted requesting Fishermen over 16 years of age NOT TO FISH THERE. Some excellent catches have been reported lately, in fact Grayling youngsters have been outdoing older anglers with large Trout the last few weeks.

Last weeks Fly Fishing classes were well attended and the film shown was well received. Those boys and girls present learned that a Trout Stream is a very fragile thing and if we are to preserve this fine sport every effort must be made not to destroy our Trout Waters.

Other activities are being planned to assist youngsters with their fishing techniques. We all know a successful angler is a happy one and if kids can catch fish and enjoy fishing, the future of Trout Fishing will be in good hands. (Photos by Carroll Wert)

— BITS O'TALK —

by Fay Bovee

When I started writing for this column, I didn't know news would happen in my own front yard. Mrs. C. Longworth is accustomed to seeing deer around her home on the Au Sable River, but she nearly lost her composure when one interrupted a make-up demonstration by snorting at her through the Bovee's living room window on Ingham Street in Grayling.

The deer disappeared around the corner of the house and the City Police and DNR were summoned and went looking for it. Possibly in search of more beauty tips, it was discovered again by Sheri Reed in the back yard of Marilyn's Hair Boutique. The deer, a 150-pound buck with one 2-pronged antler still in the velvet, had to be shot as it was suffering a broken leg, apparently as a result of becoming entangled in the fence between Reed's and Derek McEvers's property.

Guests of Mr. and Mrs. Charles McNally last weekend were their daughter and her husband, Mr. and Mrs. Don Black of St. Clair Shores.

The Roger Kesslers and children, Lisa, Lori, Michael, and Maureen, of Lake Jackson, Texas, spent two weeks in Grayling visiting his parents, Mr. and Mrs. Jerome Kessler, and her father, Mr. Jens Ziebell. On their return they visited in Saginaw for a couple of days.

Mr. and Mrs. Whitey Madsen were in Traverse City last Saturday to attend the christening of their granddaughter, Tonya Jennifer, daughter of Mr. and Mrs. John Dyke. Tonya's god-parents are Mr. and Mrs. Floyd Millikin of Plymouth, Mich. Also attending were, paternal grandparents Mr. and Mrs. Robert Dyke, of Elk Rapids, paternal great grandmother, Mrs. L. P. Kahlar, and Mr. and Mrs. Clyde Robertson of Traverse City.

Mr. and Mrs. Robert Watson, of Clinton, spent the weekend of the 22nd with the Jerry Hayes family bringing along some homemade sausage and bacon from their farm.

Mr. and Mrs. Tom Maravi, of Marquette spent two days last week as guests of Mr. and Mrs. Jerry Hayes. Mr. Maravi is an assistant professor at Northern Michigan University.

Miss Kerry Signe Cornell, infant daughter of Mr. and Mrs. Douglas Cornell of Prudenville (nee Kim Smith) was baptized at the United Methodist Church by the Rev. Paul Frederick on Sunday, June 23. Mr. and Mrs. Terry Smith, of Central Lake were Kerry's godparents.

The Robert Young family of Bridgeport and her parents, the Jim Hortons, of Flushing, spent the weekend of June 22nd at their cottage on the north shore of Lake Margrethe. Mr. Young is a state representative and will be running for state senator from his district.

Mrs. Marianne Knepp, a teacher in the Crawford-Au Sable schools, is teaching Mexican children at St. Charles and is being assisted by her son, Bob.

The Howard Taylor family, Lacey Stephan family, John Galloway family, all of Grayling, and Mr. Taylor's parents, Mr. and Mrs. Ward Taylor, of Manton, spent a week camping and fishing at Lake Woolsey on Manitoulin Island.

Mr. and Mrs. Frank Corbett, formerly of Livonia, purchased the Morden Post cottage at Lake Margrethe and moved here to make their home the past spring. They are both retired from Ford Motor Company. Visiting them last week was their daughter, Mrs. Joseph Balnave, and children, of Livonia.

GRAYLING, MICHIGAN -- THURSDAY, JULY 4, 1974

Independence Day, 1974

Silence shrouds the great Liberty Bell in its resting place at Independence Hall, Philadelphia. Never again will its melodious voice herald important occasions such as the first public reading of the Declaration of Independence. Yet for millions of Americans, the cracked and battered 222-year old bell symbolizes the rugged spirit of independence that founded these United States so many years ago.

As the traditional Fourth of July celebrations burst forth this year, the U.S. finds itself at crossroads similar to those faced by our forefathers that first "Independence Day" in 1776. Our national purpose is being questioned, and myriad problems assail us on every front. But as long as Americans keep alive the principles of individual dignity and justice under law, the U.S. will always be able to follow the message inscribed on the Liberty Bell to: "Proclaim liberty throughout all the land unto all the inhabitants thereof."

Not A Good Buy!

According to U.S. News & World Report, the Tax Foundation--a nonpartisan organization--has analyzed the current \$304-billion federal budget and finds that it adds up to "...an average bite of \$4,013 from each of the nation's households--\$1,214 more than the comparable figure four years ago." The average family may be unaware of its share of the burden of a \$300-billion-plus federal budget. Nevertheless, the burden is there. It takes the form of direct and indirect taxes--and inflation ensuing from chronic federal deficits. On top of this, state and local taxes are a rapidly growing part of the overall tax load.

If consumer protectors really want to protect consumers, they should address themselves to the question of whether taxpayers who are also consumers are getting their money's worth from the biggest business in the world--the U.S. government.

Ground Moles Are After June Bugs

by Willard E. Bosserman
County Extension Director

Ground Moles feed upon the larve of June bugs. This isn't their only food, however. They feed upon earthworms and other soil insects also.

One of the suggested controls of ground moles is to kill the soil insects. This is done by applying five (5) pounds of five percent (5%) chlordane granules or dust per 1,000 feet of lawn. After applying the chlordane, wet it in by watering the lawn.

"I prefer the trapping method of controlling the ground moles. I haven't had much success myself, but my neighbor has and that helps control the moles on my property. Anyway, the best time to trap is in early spring when the first ridges are noted."

I really wanted to write this to tell you about the June bug. It's not really a June bug at all but a May beetle. It belongs to the scarabaeidae family of the order Coleoptera. The adult beetles appear in May, June and July. They are attracted to light and hang against the screen door on a warm summer evening. During the day they remain hidden under grass or debris, or in some other place of concealment. At night they come out to feed, and when they are abundant they destroy large amounts of foliage.

The life cycle is quite interesting. The females enter the soil and deposit each egg in a ball of earth, some inches below the surface. The females select sod land, especially in high areas or near wooded tracts. The eggs hatch in three or four weeks and the young grubs feed on decaying vegetation; later they attack living roots.

I have seen brown spots in lawns, perhaps two feet across or better. When you roll back the dead sod there are dozens of white grubs, (June bug larve) about two inches below the surface. Either use them for bait or bring out the chlordane.

At the approach of winter they burrow deeper into the soil and hibernate. The next spring they come near the surface and feed actively all summer on the roots of grasses or grains, or attack potatoes and other root crops.

It is during this year that they do their greatest damage. The following winter it passes deep in the soil and the next spring they again come near the surface to feed. This time they feed for only a short period and then form rough oval pupal cells in the soil. Pupation takes place during the summer and the adults emerge from the pupal skins but remain in the cells till the following spring.

Thus the life cycle from egg to the appearance of the adult in the spring again is three years. Three years isn't long for their life cycle; the seventeen year cicada (locust) takes seventeen years in the soil to complete its life cycle.

THE BIBLE SPEAKS

From Calvary Baptist Church

On Patriotism

We pause to pay tribute to all the brave and gallant men who risked their lives, their families and their property to provide us with the greatest nation on earth. We honor all those who in every generation have shed their blood to preserve for us this privilege of living in a free country.

Many of the founders of this country were God fearing men who could use their Bibles as well as their rifles. They were men of conviction who believed all God given freedoms were worth fighting and dying for.

Most pacifists within our country have ulterior motives. Either they are not sympathetic with the principles on which our country stands, or they are just plain cowards. Some of the same men who were pacifists, against all warfare with Communism, are now violent revolutionaries against their own government. Some of the same individuals who were involved in protest marches against the "establishment" because of our military involvement in southeast Asia, do not hesitate to fight police officers whom they call "pigs."

Every God given freedom we share in the U.S.A. is available because others valued these freedoms above peace, prosperity of life itself. To use and abuse the freedoms of this country when one is opposed to the manner in which they are maintained is hypocritical. This

is comparable to one who violently opposes theft while living from the riches of a successful thief. Anyone who feels our freedoms are not worth dying for should go to another country where these freedoms have not been purchased in human blood. If you don't believe in fighting for freedom, be honest enough to go elsewhere and live in slavery.

"Greater love hath no man than this, that a man lay down his life for his friends." John 15:13. Jesus approved defensive warfare. Jesus ordered His disciples to buy a sword: "...he that hath no sword, let him sell his garment, and buy one." Luke 22:36. Jesus said He would have ordered His disciples to fight, had He been building an earthly kingdom: "Jesus answered, My kingdom is not of this world: if My kingdom were of this world, then would my servants fight, that I should not be delivered to the Jews..." John 18:36. The Bible makes it plain that government still has the right to use the sword against evil. Romans 13:1-5. Only religious liberals and false cults are opposed to true patriotism. Everytime you salute the flag of the United States of America, you obey Romans 13:5. Don't be ashamed if "goose bumps" go up and down your spine; thank God you still have some feelings left for Old Glory.

Reunion

The families of John, Harry, Cecil, Wes, Alma and the late Ida Canfield are all invited to a reunion at Beaver Creek Town Hall one o'clock, July 6th. Potluck - Everyone come.

CARD OF THANKS

There are no adequate words to ever express my gratitude for all of the thoughtfulness, gifts, cards, prayers, and the wonderful care I received from my co-workers during my recent illness. A mere thank you just isn't enough; but for what it's worth, a heartfelt and sincere thank you to all. I would especially like to thank my doctors, and my wonderful family, Kathy White, my sister-in-law, Gail Hunter and my very dear friend, Joan Thompson.

To Chairman Sen. Davis Campaign Here

Marilyn Longworth of Grayling has accepted appointment as Bob Davis Chairman in Crawford County for the upcoming 37th District State Senate election.

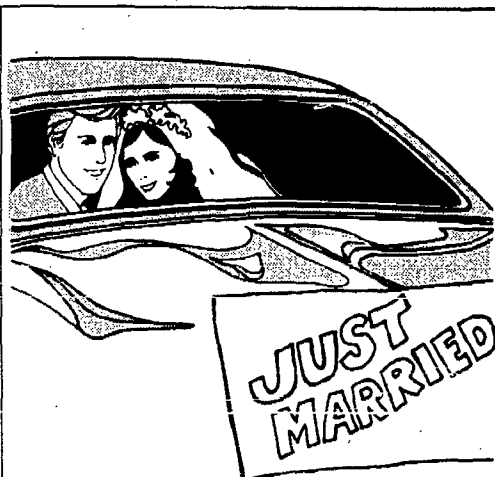

Senator Davis recently announced his candidacy for re-election to the 37th District seat he has held since 1970. The district is the largest in the State, covering all or part of 18 counties on both sides of the Straits of Mackinac.

"In order to provide the necessary coordination of the overall effort we need able leadership in each county," Davis said. "I'm very pleased that Marilyn has accepted the chairmanship on my behalf."

The Avalanche—Your Want Ad Paper

Freedom

(Continued from page 1)
ment of Jean Jacques Rousseau's thought in his social contract. "Government should be a contract among the people themselves, the individuals giving up some of their rights to the benefit of society."

Since the constitution was ratified in 1789 a greater number of people have more voice in the destinies of their lives. Again to quote Rousseau, "A government should be one in which each member has a sense of belonging and a sense of participation." The bill of rights amendments came two years after the ratification of the constitution. This gave us the freedom of speech and the freedom of religion. Freedom of religion also means the separation of religion and the state. A certain group's religion could not be put into law forcing everyone to abide by it's belief.

People's religion has crept into law, however. Only recently were women given the freedom to choose to terminate a pregnancy.

In 1789 the only people who could vote were property owning white males. It was only comparatively recent that women could vote. The constitution was amended in 1920 to allow women suffrage. That is only 54 years ago. Even more recently were 18 through 20 year olds given the right to vote. This happened only two years ago in 1972. So some things are still happening to give greater number of people a feeling of participation.

Blacks in the south were still in slavery after the constitution was ratified. Not until 1870 were the freed black given the right to vote. Even then a poll tax practically made void that amendment. Not until the decade of the 1960's did the black people gain anything like equality.

Blacks were not the only slaves. Certain capitalists actually "owned" their employees by keeping them indebted to them. I read just last week where this was still going on with wood cutters in the south. Labor unions gave laborers a sense of belonging and participation in decisions that affect their lives.

Over the years we gained a few freedoms and lost a few.

The authors of "The Honest Politicians' Guide to Crime Control," recently published by the University of Chicago suggests outlawing 'sin as a means of increasing freedom of choice.

Their book suggests drunkenness cease to be a crime. Neither the acquisition, purchase, possession nor use of any drug be a crime. No form of gambling would be prohibited by law, however, certain fraudulent and cheating gambling practices will remain criminal.

The book was written in the late 1960's and this next suggestion has already come about, that is, abortion performed by a qualified medical practitioner would cease to be a criminal offense.

NOTICE TO TELEPHONE SUBSCRIBERS

On May 31, 1974, General Telephone Company of Michigan filed an application with the Michigan Public Service Commission for authority to revise its Tariff M.P.S.C. No. 8 so as to conform fully to the Tariff of Michigan Bell Telephone Company for interexchange private line service. The company alleged that it is presently furnishing private line telephone service jointly with Michigan Bell Telephone Company under the tariff of that company and that it would be in the public interest for all interexchange private line service in the state of Michigan to be governed by the one tariff as is the situation for message toll telephone service.

If interexchange private line service is governed by the tariff of Michigan Bell Telephone Company, those private line customers whose service is not being provided jointly with Michigan Bell Telephone Company will experience a rate adjustment. Listed below is a comparison of the existing and proposed rates:

Service	Present Rate	Proposed Rate	Monthly Increase or Decrease
Private Line — Interexchange Full Period Service			
Interexchange channel — per airline mile	\$4.25	\$4.75	\$.50
Local channel			
minimum charge each	4.00	5.60	1.60
1/4 mile over 4/4 miles	1.00	None	(1.00)
Additional termination	1.00	None	(1.00)
Common battery signalling arrangement	2.00	2.25	.25
Instrument charge	None	1.75	1.75
Private Line — Interexchange — Miscellaneous Channel Service			
Interexchange channel — per airline mile	4.25	4.75	.50
Local channels	5.00	5.60	.60

The proposal will also increase the interexchange foreign exchange mileage charges from \$4.25 per mile per month to \$4.75 per mile per month.

Applicant further represents that Michigan Bell has on file with the Michigan Public Service Commission an application requesting authority for increased rates which, if approved, may further change the rates for certain interexchange services.

The Michigan Public Service Commission has scheduled a public hearing on this matter on July 19, 1974 at 9:30 a.m. at the offices of the Michigan Public Service Commission, Fifth Floor — Law Building, 525 West Ottawa Street, Lansing, Michigan. Any interested parties may attend the hearing and participate subject to the provisions of the Commission's Rules of Practice and Procedure, 1954 Administrative Code, Supplement No. 54, R 460.11 et seq.

If you have any questions concerning the application of the proposed rates to your individual service, please contact the company's business office.

Jack Pine's Stump

The Editor of this paper is probably so mad at me he won't publish this column - and with good reason. It was supposed to be in at 6:00 P.M. yesterday and it is now eight in the morning. Things of this nature tend to try the patience of the best of newspaper editors. Besides that, Jack Pine has been working all night, at a legitimate, morally - correct, job, and has had precious little sleep.

There are a few things which bug me this week, and, while not of earth-shattering import, at least will fill up space. One is re-runs on TV. I can't understand why the networks seem to re-run the worst of the winter's shows and not the best. But they do. Another one is that damned white pine across the South Branch. I was assured the DNR was taking it out. But they hadn't when I was there a couple of days ago. So someone else said he'd take it out yesterday using his own saw. Rots of ruck, buddy. I also had great plans to have a vegetable garden this year, but somehow never got beyond the stage of conning a neighbor into tilling it up for me. Now it grows beautiful weeds - not at all useful or edible. Not that I have taken to eating weeds, but they just don't LOOK edible. Garbage, trash collection and new dumps have also bugged me a bit, but that is all too complicated to go into. I don't

Mercy Hospital

The following are among the patients at Mercy Hospital this week: Lois Bendig, Herman Bischoff, Lena Bryan, Elsie Denno, Ethel Ferguson, Cheryl Golinick, Agnes Hanson, Minnie Highlen, Douglas Hodges, Catherine Hoffman, Carl Johnson, Connie Kaiser, William Laurie, Bernice Lennert, Louise Long, Richard Lovely, Donna Lozon, Eugene McKnight, Robert Mahaney, Tobias Neal, Joan Papendick, Andrew Spencer and Maxine Trudeau, all of Grayling; Donald Akers and Orlie Straley of Frederic.

Mr. and Mrs. Edwin Harris of Grayling are the parents of a 6 lb. 6 oz. son, Gerald Lee, born on June 26.

Born to Mr. and Mrs. Michael Lozon of Grayling on June 30, a son, Schyler Scott, weighing 7 lbs. 13 ozs.

Judge and Mrs. Francis Walsh of Houghton Lake announce the arrival of a daughter, Mary Kathryn, on June 29, weighing 7 lbs.

even understand it, in fact. I just want to know how to get rid of some old tires. Some cops bother me, also, but then some cops always bother me. There must be someone else they can pick on in their spare time besides little old me.

Also a matter of minor irritation was a written driver's test I had to take. One of the questions concerned the Michigan speed limits. The obviously correct answer was the old maximum 70, minimum 45 MPH. There was no choice for the present 55-45. So I left it blank, and was marked wrong. No amount of explanation would help me. So, I came to the astounding conclusion that the only way to get a right answer would be to give a wrong one. So beware.

Also of concern is a report that some of the land given Trout Unlimited along the Main Stream is indeed going off the tax roles, which means that to a certain extent we will have to support our local schools and services with less taxable land than before. That's just dandy in a county which right now is about 80% State or Federally owned. TU is reportedly going to construct a fish research operation up here which will employ a few people. Why doesn't Trout Unlimited take over the old State fish hatchery and put those people back to work? The facilities and knowledge are already there, so it sure as hell doesn't make much sense starting something new.

Barbara Walters, on the NBC Today show, is a very poor way to start one's day. She made the cover of Newsweek magazine recently, but she makes me retch every day. The only reason I watch her is to make sure I start off each day in a bad mood.

I am also somewhat irritated over an incident which I heard about at the National Guard camp. I was talking with a Guardsman who was hobbling around on crutches. He explained that he had been the victim of a hit and run a few evenings earlier right at the camp. He couldn't get up, but he did manage to get a partial license number and even saw which parking lot the car went into. But the MP's weren't impressed. Even though the man had a severely damaged foot, the medics didn't bother to even x-ray him until the next afternoon around four thirty. Beautiful.

Well, anyway, now you know what has bugged me this week. I hope that nothing bothers you this week and that your Fourth of July is the best ever. Have a happy.....

ALMANACK

Richard Milliman

Milliken's choice: James J. who???

His name is not exactly a household word, but Gov. Milliken obviously thinks that's not necessary for a young man named James J. Damman to be a good candidate for lieutenant governor.

Now, let's all give out a good, loud chorus of "James J. Who?"

Damman is the name, and before the November election, most Michigan folks may have learned whether it's pronounced "Damm-man" or "Day-man."

Ending several weeks of suspense for Republican leaders and would-be lieutenant governors, Milliken has picked the two-term Oakland county state legislator from Oakland County as his preferred running mate.

"I believe Jim Damman has what it takes to be a strong running mate, and an effective lieutenant governor, and a potential governor," Milliken said in making the decision known.

Milliken said he had considered "a dozen or more" potential candidates, including several state legislators. He said he wanted "a person with whom I could work closely, and a person with the integrity, respect, ability, judgment and dedication to serve the public interest."

"I believe Jim Damman is such a person," Milliken said. "I believe Jim Damman is an emerging strength in public service, a leader for the future..."

"He has a depth of character and spiritual value evident in his strong devotion to family and church and his high dedication to public service."

Whew! That's pretty high praise. If Jim Damman is all that good, Michigan is probably wasting him in the State House of Representatives, or even as lieutenant governor, if he should be elected. A man with such qualities should be at least governor, if not something higher.

Obviously that is what several people have in mind, Jim Damman probably among them.

The chief role of lieutenant governor in Michigan is to be ready. Ready for what is not quite clear, but he/she should be ready for whatever might happen.

The lieutenant governor is busy most of the time, sort of waiting. Oh,

he/she presides over the state senate, and casts a vote in case of a tie, and fills in as acting governor when the governor is out of state. And in case of a vacancy in office of governor,—due to such happenings as death, or resignation, or impeachment—then the lieutenant governor moves up.

But mostly, on a day-in and day-out basis, the lieutenant governor gets ready, and waits.

The incumbent No. 2 man, Lt. Gov. Jim Brickley, either decided he was over-trained for the job, or got tired of waiting. At any rate, he made it known some weeks ago he was all through as lieutenant governor after this term.

That set off a scramble among ambitious and—or dedicated Republicans to take Brickley's place in Milliken's shadow. After all, even a boy governor like Milliken can't go on forever, and whoever played the No. 2 role as lieutenant governor would have a leg up on the No. 1 job, one of these days.

Jim Damman is now the man. He's young. The geography is right; he's from the metropolitan area. The religion is right. He's smart and attractive, and apparently he has few enemies.

Gosh; that description sounds almost like what Sen. McGovern must have thought about Tom Eagleton, too.

Are all those qualifications important in attracting votes to Milliken? Not in my opinion.

It seems to me the voter is going to decide on the basis of who's running for governor, and not who's on the ticket for No. 2. If a Detroit Catholic doesn't like Milliken, he's not going to vote for the Milliken-Damman ticket just because Jim Damman is on it.

The object of picking a running mate, it seems to me, is to find someone who could handle the top job if the need arose...someone with whom the top candidate can feel comfortable and in whom he can have confidence...and most important, someone who will do the least harm to the ticket.

By these lights, it appears that Jim Damman can handle the assignment.

Commissioners Learn About Extension Service at Gaylord

By Willard Bosserman,
County Extension Director

James and Joyce Bourrie represented the Crawford County Board of Commission-

ers at Commissioner's Day in Gaylord, Wednesday, June 26.

During the morning session Einer Olstrom, Program Director, Natural Resources, Michigan State University told of the history of service to the people, but the Cooperative Extension Service.

Quentin Ostrander, District Extension Marketing Agent told of the Business Management Schools which they have conducted. One of these schools is planned for this coming fall to be taught at Kirtland Community College.

John Hodge, District Extension Leader, Resource Development gave an interesting talk about the food services of northern Michigan and how the Extension Service worked with them.

Al Nickels, Alpena County Extension Director told of the seed bean project.

Mary Lou Tanton, a 4-H leader from Petoskey spoke on the importance of 4-H leader from Petoskey spoke on the importance of 4-H program in her life and how she involved as a 4-H volunteer leader. To give the kids of today the advantages of 4-H that she had.

Sharon Fritz, Extension Home Economist of Harrisville told of the women's family living program of the Cooperative Extension Service.

The Director of the Michigan Cooperative Extension Service, told them about the responsibility of the Extension Service, how the service is financed by local, state and federal funds.

The group of about sixty commissioners enjoyed a tour that visited the Fleming dairy farm. In the afternoon the trip took them to the Otsego-Crawford County landfill site. Then a tour of the U.S. Plywood plant in Gaylord.

This concluded the Commissioner's Day.

Three To Star In New Comedy

The Cherry County Playhouse will open its 20th season on July 2 with the world premiere of the new Judith Ross play "Winning Is Better." Scheduled for a fall opening on Broadway the comedy will play eight performances, through July 7 at the Traverse City theatre.

A comedy of sex and politics, "Winning Is Better" pokes fun at the contemporary political scene as Irene Porter, congressional candidate parlaying an election loss into a lovers' landslide. This will mark the sixth new play that has been introduced in Traverse City at the Cherry County Playhouse during its 20 years. The most recent plays to make the jump from northern Michigan to Broadway have been "A Frog Ho Would A-Wooing-Go" and the long running hit "Butterflies Are Free."

Producer Ruth Bailey has booked an all star cast into the playhouse for the world premiere. Don Porter, co-star of "Gidget" and Ann Southern's "Private Secretary," will play the tough but honest political manager who finds defeat at the ballot box an unlikely beginning for romance. Co-starring with Mr. Porter will be Dorothy Loudon, a regular on the "Garry Moore Show" and Broadway star of "The Women," and Murray Hamilton known to TV audiences from the Senator on the "Bold Ones."

Two Attend Fire Course

William Moody and Richard Dowland, Firemen of Frederic Township (Fire Department), recently completed a special two-day Fire Apparatus course at the FMC Corporation Operation and Maintenance School, Tipton, Indiana, according to Wayne Steller, Operation and Maintenance School Instructor.

Certificates were awarded based on actual classroom work, and field exercises covering basic and advanced apparatus operation and maintenance.

Meeting Held

The A.A.R.P. meeting was held at Ausagra Acres Tuesday afternoon, June 25th. A film on wild flowers in this area was shown by Mr. Hoover from Hartwick Pines.

Mrs. Helen Brant of Cheboygan, who is the assistant to the State Director of the Northern Area of A.A.R.P. spoke.

There were 18 in attendance. The next meeting will be July 23rd at 2:30 p.m. There will be a speaker. All A.A.R.P. members are invited to come and join our Charter which will be received in October.

Sherrill J. Thayer Receives Asso. R.N. Nursing Degree

Sherrill Janeil Thayer daughter of Mr. and Mrs. Arthur R. Thayer of 408 Plum Street, Grayling, Mich. was granted a degree of Associate R.N. Nursing.

She has majored in Nursing and is a 1971 graduate of Grayling High School, Grayling, Michigan.

In high school Miss Thayer was active in Band, Forensics, Debate, and Drama. She participated in various Solo and Ensemble Festivals for Band in which she received several awards. She also participated in Forensic Festivals and won honors in Extemporaneous Speaking, Oratory, and placed in the regional division of the American Legion Oratory Contest. When not a member of the cast of actors, Miss Thayer was active in the Community Orchestra that performed for the musicals. She was a member of the Forensic Club, National Thespian Society and served as secretary-treasurer of the National Honor Society. In 1971 Miss Thayer was listed in "Who's Who Among American High School Students."

While at Lake Superior State College, Miss Thayer was active in Dorm Club, AWS (Associated Women Students), Nursing Organizations and Debate. She was a member of the first intercollegiate varsity Debate team to be organized at Lake Superior State and won the highly esteemed "Speakers Award" for her participation and efforts.

She was on the dean's list for four terms.

Following graduation, Miss Thayer plans to return to Grayling and work at Grayling Mérey Hospital. Eventually she plans to receive further education and training and work in a psychiatric or mental health setting.

Honors List

Marquette, Mich.—Northern Michigan University has announced that 1,313 of its students have been named to the Dean's List for the spring semester of the 1973-74 school year.

To earn a spot on the list, each student had to carry a minimum of three full courses during the semester for 12 semester hours of credit, while maintaining a minimum grade-point-average of 3.25 out of a possible 4.0 for their courses.

There were 224 students this spring who achieved perfect 4.0 grade-point-averages for their academic work. Among these was James Steere, son of Mr. and Mrs. James R. Steere of P.O. Box 100, Grayling.

District Court

The following persons appeared before Judge Francis Walsh, 83rd District Court, and plead guilty or were found guilty by a trial.

Chris McGillis, 17, Roscommon, was charged with two counts of breaking and entering. He waived preliminary examination and was bound over to Circuit Court. A personal bond was set at \$3,500 on both charges.

Marty Christian, 17, Camp LaVictor, was charged with breaking and entering and demanded a preliminary examination, after a 12 day period was not waived. Bond was set at \$5,000 cash or surety.

Timothy J. Campbell, 19, Birmingham, was charged with the illegal use of marijuana and pleaded nolo contendere. He was fined \$204.00 or 30 days in jail.

Arthur Homer Anderson, 21, Grayling, was charged with the illegal use of marijuana and was fined \$204.00 or 30 days in jail.

Ronald Lewis Easterbrook, 22, Warren, was charged with the illegal use of marijuana and pleaded nolo contendere. He was fined \$204.00 or 30 days in jail.

Marlane Rose Bielawski, 22, Dearborn, was charged with the illegal use of marijuana and pleaded nolo contendere. She was fined \$204.00 or 30 days in jail.

Pamela Gay Schmittling, 22, Dearborn, was charged with the illegal use of marijuana and pleaded nolo contendere. She was fined \$204.00 or 30 days in jail.

Dann Minch, 25, Cheboygan, was charged with careless driving and was fined \$84.00 or 10 days in jail.

Roy Junior Potter, 44, Grayling, was charged with driving while his license had been suspended and was fined \$84.00 or 13 days in jail.

James Thomas Miles, 25, Mt. Clemens, was charged with impaired driving and pleaded nolo contendere. He was fined \$124.00 or 14 days in jail.

Clinton Cooper Stuart, 50, Grayling, was charged as being a disorderly person by intoxication in a public place and was fined \$84.00 or 10 days in jail.

Attend The Church Of Your Choice

KEEPING IN STEP

You don't have to be "square" to go to church. The image of dour individuals with "holier-than-thou" attitudes is as old fashioned today as people dancing the minuet.

Take the Adamses, for example. They aren't youngsters, to be sure, but they are very much in step with the times, and their home is a haven for teenagers. Mr. Adams is a lawyer, who works with kids who have been in trouble. Mrs. Adams is on the local school committee and also helps the Girl Scouts.

The Adamses like to walk to church each Sunday and to discuss the sermon on the way home. Their minister is "with it" too—he strives to counsel his parishioners on the dilemmas that confront Christians today.

The Adamses, their minister, their church—all a part of today.

Are you?

Jim Fitzgerald

Terrible Jean strikes back

The question most-often asked me is: "Is there really a Terrible Jean?" My sterling prose has made my big sister famous and, typically, she doesn't even appreciate it. Instead, she is threatening my life, as you soon shall read.

Yes, dear readers, there certainly is a Terrible Jean. Her official name is Mrs. William Fitzgerald of Southfield, Mich. Besides being the mother of 5, she is also a talented artist. She paints pictures for all of her friends and sometimes stops strangers on the street and insists they allow her to sketch them. But she has never painted anything for me, not even my kitchen.

A natural question is how come she is a Mrs. but her last name is still the same as mine. Her explanation is that by astounding coincidence she fell in love with a guy named Fitzgerald, no relation. But the truth is his name was really Schwartz. Terrible Jean forced him to change it under threat of death by being pounded into the ground. She didn't want to change the initials welded on her sweat socks.

Anyway, in a recent column I described my childhood as a continuous game of Follow the Leader with me always following 18 blocks behind Terrible Jean — but still lost in her shadow. She has DEMANDED equal space to retort. All of a sudden I am 5 years old again and whimpering. All editors are beseeched not to change a word of the following letter which was carved into a boulder and thrown through my front window from 70 miles away.

"Dear Follower:

"What an apt description of yourself, James. A 'Follower' you were. You followed me to the drug store, the tennis court, my girl friends' houses — even to the bathroom where you remained screaming and kicking at the door till I made my exit. You even followed me on my first date — my funny-nosed weasel of a little brother.

"You devoted your entire little life to making me miserable. You should have grown-up to be G. Gordon Liddy. Your literary career began when with your fat little hands, you recorded in your ever-present notebook all of my

transgressions for future blackmail use. Witness your lifetime of complete sloth around the house.

"If your wife Pat—God bless her—hadn't come to the rescue you would probably be living in our basement now and following me around the house — a typical no-good Irish bachelor.

"I ask you readers—if there are any of you out there besides Mother and Aunt Madeline — wouldn't you have pounded him into the ground too?

"While my lawyers prepare my libel suit against you, I decided I must defend myself against further growth of my Monster image. I didn't mind so much when I heard you were getting mail addressed to 'The Brother of Terrible Jean.' But when brother-in-law Tony, who recently began working for Mueller Brass in Port Huron, told me of his experience, it was too much. It seems there are several old-timers around Mueller's who remember when Dad worked there. When Tony told them he was married to Eddie Fitz's daughter, they recoiled in horror: 'NOT TERRIBLE JEAN!'

"So now Bill and I are having fun planning our retaliation. Incidentally, readers, my husband Bill is a strong male head-of-the-family type, even if he is a good cook. One of his greatest assets is his willingness for these many years to attend our family gatherings and endure the jealous insults of helpless Jim. I suspect it is because Jim is a worse singer than he is.

"Till we see you at the alumni dance, obnoxious brother, I'm putting you down for 25 books of raffle tickets. You can pay me before I strangle you with your raincoat.

Hate and snarls,
Terrible Jean"

WELL, SEEING this is my column, there is no way Terrible Jean is going to get the last word. I will simply add I'm glad she wrote that violent letter. It proves I haven't been kidding you about my black and blue childhood. Now she has publicly promised to strangle me. The Godfather's God-mother has a contract out on me.

We're Being Invaded by Rose Chafers

By Willard Bosserman, County Extension Director

Those spiny legged tan beetles that are crawling all over your roses, favorite apple trees and other plants are rose chafers. They spend most of their life in the soil but emerge in June and early July to feed upon your plants.

I have had more calls about them this year than any other time since coming to Crawford and Roscommon Counties, therefore I think there might be more of them this year. In fact I have some this year for the first time.

Anyway they are fairly easy to kill with an insecticide. Use either sevin or methoxychlor to the foliage when adults congregate. Be sure to follow directions.

LOCAL BOYS CROSS OVER THE BRIDGE—These Webelo Scouts recently crossed over the Arrow of Light Bridge signifying their moving up from Cub Scouts to Boy Scouts. Representatives of our two local Boy Scout Troops Dave McLain (Troop 997) and Doug Harris (Troop 977) welcomed them and told the boys about their respective troops' activities. Ms. Stancil Staff Psychologist

Welcome Wagon

An election of officers was held at our June meeting. Elected was President, Mary Oppermann; Vice President, Jo Nimke; Hospitality, Jackie Prieskorn; Hostess, Lynda Hummel. Some members volunteered to help out at Ausagra Acres. \$41.86 was realized from the Home Decorating Party and \$50.00 was donated to the Petunia fund.

Vicki Woolmer, Secy.

Ms. Anemari Stancil, daughter of Mr. and Mrs. Thomas R. Stancil of Grayling, has accepted a position as staff psychologist with the Huron County Health Center in Norwalk, Ohio. Her duties will include psychodiagnostic evaluation, family, group, and individual counseling, and consultative services for schools and judicial systems. Anemari will be leaving for Ohio in the early part of July, where she will be joined later by her two sons, Geoffrey and Gregory.

Ms. Stancil attended the Mary A. Burnham School, (Stoneleigh - Burnham), of Northampton, Mass., and Burnham By The Sea at Newport, Rhode Island, graduating in 1959. She is also an alumnus of the National Music Camp at Interlochen and attended Michigan State University. Anemari received her Bachelor of Science degree, Magna Cum Laude from Central Michigan University in 1971 and her Master of Arts degree from the same institution in May, 1974. While in college, she was a member of Delta Zeta sorority, secretary of Kappa Delta Pi, national educational honorary society, and secretary of Psi Chi, national honorary psychological association.

FREDERIC HOBBY CLUB

The Frederic Hobby Club met at the home of Mrs. Ellie Lozon on June 27, with five members present.

We will go to the Cherry County Playhouse on July 25, to see Robert Reed, of the Brady Bunch, in "Wake Up Darling."

The door prize was won by Mrs. Helma Post.

Carnival tickets are on sale at Newberry's General Store, from Mrs. Helma Post and Mrs. Vi Middleton.

your week ahead BY DR. A.W. DAMIS

Forecast Period: July 7 to July 13

ARIES Mar. 21 - Apr. 19 Some of your long held opinions will change. Why? Well, you are going to weigh, what you say, on a scale of ambition. You'll face a situation that demands tact.

TAURUS Apr. 20 - May 20 Listen well! Hangups on luxuries could backfire. Also, you're heading for schemes involving a "quick buck!" Forget a proposition that promises you the "world."

GEMINI May 21 - June 20 According to our own light, we are never treacherous. Nonetheless, your chart shows the act of deceiving an associate. You'll gain more by playing it above board, actually.

MOONCHILD June 21 - July 22 It seems as though someone is going to tie you down with the story of their life. The point? It would be a good idea to check their motives.

LEO July 23 - Aug. 22 Most members of your sign will be running up blind alleys, guided by half-truths and rumors. Also, look for overtures to come from the other sex.

VIRGO Aug. 23 - Sept. 22 There is such a thing as being over confident! Apparently, you'll be drawn into a task that's beyond your ability to perform. Approach a new project with caution.

LIBRA Sept. 23 - Oct. 22 More than once, it's going to happen. What? You're going to be misled by faulty instructions or misinformation. So, as the saying goes: Read the label on the bottle.

SCORPIO Oct. 23 - Nov. 21 This week is not one of your best periods. That is, as far as the opposite sex is concerned. What is more, your thoughts and motives tend to be in the shade!

SAGITTARIUS Nov. 22 - Dec. 21 Don't become involved in someone else's problems, in order to avoid your own. It seems as though you'll be looking for excuses to neglect a major decision.

CAPRICORN Dec. 22 - Jan. 19 An event of the past winter will have strong overtones on this week's activities. The important thing is: Don't repeat past mistakes with the opposite sex.

AQUARIUS Jan. 20 - Feb. 18 According to your chart, a so-called "friend" will attempt to "cross your wires." Bluntly, this week's success will bring you little, if any, popularity.

PISCES Feb. 19 - Mar. 20 For many under your sign, it has become a habit, lately. It seems as though, you are heading for a conflict with a superior or someone in authority.

Caring For The Lawn During Summer

By Willard Bosserman,
County Extension Director

Your lawn ought to be growing good now with all the rain we have been having. The extra water uses up the nitrogen supply faster, however. Nitrogen is the plant food that makes the grass grow green and fast. Without it the grass tends to be a little on the yellow side and doesn't grow quite so fast.

If you can find a fertilizer high in nitrogen now would be a good time to apply some. It is difficult to tell you how much of any type of fertilizer because the amount of nitrogen varies so much. What ever fertilizer you use, do not apply more than two pounds of actual nitrogen per 1,000 square feet of lawn. If you were applying a 33 percent ammonium nitrate you would need to apply only six pounds per 1,000 square feet to get the 2 pounds of actual nitrogen.

If the only fertilizer you can get is 12-12-12 then you would have to apply 16.5 pounds per 1,000 square feet to get 2 pounds of actual nitrogen. Then you are putting on a lot of phosphorus and potassium you don't need. If you are near a lake or stream you probably don't need any additional phosphorus. It may be washed into the body of water.

Nitrogen is particularly hard to find because one raw material for making nitrogen fertilizer is natural gas. The natural gas supply has been cut to the manufacturers of anhydrous ammonium, the first step in making nitrogen fertilizers.

There are other sources of nitrogen, animal manures are quite high. Garden stores, hardware stores and even grocery stores are selling dried manure. Poultry and sheep manures are particularly high in nitrogen.

If your grass isn't growing good, weeds tend to take over. 2-4-D is the most universally used weed killer in lawns. This is a basic ingredient. Many companies sell the product with varying amounts of other materials in it. This is generally mixed with water and sprayed on. It doesn't hurt the grass, but can kill other broad leaf plants if it drifts onto them. Spray when there is no wind. You may be paying for your neighbors grape vine. Grapes and tomatoes are quite easily damaged by 2-4-D.

Some fertilizers come with a weed killer right in them. This works pretty good if you put enough on to do any good.

I have some lawn weed control bulletins in the office. I couldn't offer any lawn care bulletins because the supply is all used up.

Our address is Box 507, Roscommon, Phone 275-5043.

City Council Proceedings

Regular Meeting of the City Council held Monday, June 24, 1974 at 7:30 p.m.

The meeting was called to order by Mayor Pro-Tem Bovee at 7:30 p.m.

Roll Call: Councilmen present: Bovee, Palmer, Golinick, Hanson. Councilmen absent: McEvers. Also in attendance: Jerry W. Morford, City Manager and Nelson Miles, City Attorney.

Moved by Hanson, supported by Palmer that the minutes of the June 10, 1974 regular meeting be approved as read. Ayes: 4, Nays: 0, Absent: 1, motion carried.

The following communications and petitions were read by City Manager Morford: From Bill Joseph re: City cooperation. From Marion Joseph re: Petunias. From George Maurer re: Michigan National Guard Projects.

There were no citizens present who wished to address Council.

OLD BUSINESS:

Mr. Morford reported on the progress in engineering and construction bids for the new water well at North Down River Road and Michigan Avenue. A final report and bid opening for well development will be made at the July 8, 1974 meeting. An engineering invoice from Richards, Findorff and Richards in amount of \$2,566.43 for engineering services related to water system improvements was presented and recommended for payment by the City Manager. Motion by Golinick, supported by Palmer that the invoice be paid as recommended. Ayes: 4, Nays: 0, Absent: 1, motion carried.

Parcel "A" was discussed briefly. Mr. Miles and Mayor McEvers are to meet with Mr. Longworth and DNR officials and resolve the matter.

Industrial Park status was discussed briefly with two engineering bills for platting and construction engineering totalling \$1,863.97, being presented by Richards, Findorff and Richards. City Manager recommended payment of the bills as rendered. Moved by Hanson, supported by Palmer to pay the above noted bills totalling \$1,863.97 as recommended. Ayes: 4, Nays: 0, Absent: 1, motion carried.

The downtown parking lot was discussed briefly.

The storm sewer program for 1974-75 was discussed with City Manager Morford reporting on recent discussions with the Crawford County Road Commission regarding incorporation of the drainage of North Down River Road into the City Plan at an added cost of \$9,200. City Council directed Mr. Morford to proceed with City plans and to incorporate design changes as needed to drain out of City areas only if the County Road Commission or others wished to assume the total cost of such changes.

Mr. Morford reported on the fire station progress and noted that final contracts for construction will be entered into at such time as the detailed specifications and final cost agreements are presented by the contractor. Further, no construction will commence until such contract is formally approved by the Council.

The City Garage lease was not discussed due to the absence of Mayor McEvers.

A brief report on progress in collection of delinquent sewer only accounts was given by Manager Morford.

The repair bill for damage to City Water System at 505 Clyde Street was discussed by Mr. Morford.

The demolition of various old dangerous structures was discussed and progress was noted on several recent demolitions.

The City Policy on refuse pick-up for 1974-75 was discussed at length with the following motion being adopted as policy guidance for preparation of bidding documents for service to begin on September 1, 1974. Moved by Golinick, supported by Bovee that the refuse pick-up for residential units be paid for by City for 1974-75, further, that competitive bidding for said contract to begin on September 1, 1974 be arranged as soon as possible. Also, that the disposal of refuse from non-residential accounts be excluded from the City contract and left to private contractual arrangements between the refuse haulers and commercial and industrial clients due to the administrative problems attendant upon the varied schedules and volumes generated by said clients. Ayes: 4, Nays: 0, Absent: 1, motion carried.

The request of Steven Sauter for site plan approval of a fifth apartment unit at 402 Peninsular was discussed in detail. Moved by Hanson, supported by Golinick that site plan approval for conversion of the existing garage into an apartment, be granted based on the June 14, 1974 decision of the Zoning Board of Appeals regarding lot area. Ayes: 4, Nays: 0, Absent: 1, motion carried.

Discussion of the cost of re-painting the City billboards in conjunction with the Milltown Festival, was held, with the following action being taken. Moved by Hanson, supported by Golinick that the billboards not be re-painted due to high cost of the project and short duration of probable use after painting. Ayes: 4, Nays: 0, Absent: 1, motion carried.

A brief report was given by Attorney Miles on the Rochester Paving bankruptcy. City Attorney Miles is working with a Detroit law firm to resolve the matter and will report at a later date.

NEW BUSINESS:

City participation in re-printing of the revised City map in cooperation with Crawford County and the Chamber of Commerce, was discussed. Moved by Hanson, supported by Palmer, that City pay \$100.00 for cost of one color plate for City map and that said plate be retained by City for future use. Ayes: 4, Nays: 0, Absent: 1, motion carried.

Northeast Michigan Planning and Development office space needs were discussed. Mr. Morford is to look into the question and report back at a later date.

Rickert Industries site plan for development in the Industrial Park was reviewed as presented in Drawing One, dated June 5, 1974. Moved by Golinick, supported by Bovee that the site plan be approved as presented, subject to possible change in access drive to be worked out by Manager Morford and developer. Ayes: 4, Nays: 0, Absent: 1, motion carried.

There was no action on the Wharff re-zoning request due to

lack of additional data from the party involved.

REPORTS OF COUNCILMEN:

Mr. Golinick asked Manager Morford to look into the right turn only situation at I-75 B.L. and North Down River Road.

Mr. Golinick asked about City weed cutting on Norway Street and Ingham Street. Mr. Morford will look into the matter.

Manager Morford reported on the city park bridge and various other City projects.

Adjournment: Moved by Golinick, supported by Hanson that the meeting adjourn. Ayes: 4, Nays: 0, Absent: 1, motion carried. Meeting adjourned at 9:45 p.m.

Jerry W. Morford, City Manager & Clerk

Road Commissioners Minutes

June 14, 1974

A regular meeting of the Board of Crawford County Road Commission held in their office in Grayling, Chairman Richter presiding. Members present, Commissioners Ervin E. Richter, Harold T. Johnson and Lawrence Mattis, and Engineer Manager John M. Keir. Absent, none.

The minutes of the last regular meeting were read. A motion was made by Comm. Mattis, supported by Comm. Johnson that the minutes be approved as read. All voted in favor, motion carried.

Voucher No. 273 covering Payroll No. 12 in the amount of \$16,011.65 and Vouchers No. 274 to 298 covering materials in the amount of \$10,070.75 were presented for approval. A motion was made by Comm. Johnson supported by Comm. Mattis that Vouchers No. 273 to 298 be approved and warrants drawn in their respective amounts. All voted in favor, motion carried.

Deen Welch, Road and Bridges Committee of the Crawford County Board of Commissioners appeared before the Board.

An application was received from General Telephone Company for a permit to bury cable along Stephan Bridge Road and Larson Court, South Branch Township. The permit was approved and signed by the Commissioners.

Bernie Fowler, Supervisor, Grayling Township appeared before the Board requesting estimates for improvement of various roads in Grayling Township, also to discuss purchase and placement of road name signs.

A letter was read from the First Baptist Church of Frederic requesting removal of a maple tree to facilitate parking.

Commissioner Ervin E. Richter offered the following resolution and moved its adoption:

WHEREAS, Section 12(2) of Act 51, P. A. 1951, as amended, Provides that the sum of \$10,000 per annum shall be returned to each county in which the county road Commission employs a registered professional engineer on a full time basis.

WHEREAS, Section 224.10 Compiled Laws of 1948, provides that the Board of County Road Commissioners shall employ a competent county highway engineer who shall make all surveys ordered by the board, prepare plans and specifications for all roads, bridges and culverts, and exercise such general supervision over all construction as will insure that the plans and specifications are strictly followed, and

WHEREAS, Section 338.568 compiled Laws of 1948, provides that it is unlawful for any county road commission to engage in any public work involving professional engineering where the contemplated expenditure for the completed project exceeds \$5,000 unless the plans and specifications and estimates have been prepared by, and the construction executed under the direct supervision of a registered professional engineer.

THEREFORE, BE IT RESOLVED, that the Board of County Road Commissioners of Crawford County designate John M. Keir, A Registered Professional Engineer, Certificate Number 15957, as the County Highway Engineer of Crawford County, and that his duties shall be as defined by Sections 224.10 and 338.568 of the Compiled Laws of 1948.

Supported by Commissioner Harold T. Johnson. Yeas: All, Nays: None.

A motion was made by Comm. Mattis supported by Comm. Richter that the following resolution be adopted:

WHEREAS, County Line Agreements have been signed by the Board of Crawford County Road Commissioners and the Board of Roscommon County Road Commissioners to transfer jurisdiction of County Road 203 (North Higgins Lake Drive) and North Higgins Lake Drive (Former M-16-76) and,

Construction has been completed to the satisfaction of the Crawford County Road Commission,

THEREFORE, be it resolved that it has been mutually agreed upon to make the transfer effective July 1, 1974 and that the agreements be forwarded to the Michigan Department of State Highways and Transportation for approval.

Ayes: Richter, Johnson & Mattis. Nays: None. Resolution adopted.

A discussion was held on the need for replacement of a bridge on the South end of Stephan Bridge Road, and under the jurisdiction of Roscommon County.

Following the business meeting the Commissioners and Engineer Manager Keir made a trip of inspection over Military Road, North Higgins Lake Drive, Whispering Pines Road and Old 27 South. Upon returning to their office a motion was made and supported to adjourn. All voted in favor, motion carried, meeting adjourned.

BICYCLE SAFETY—These young people should be easily recognized by motorists this summer because they all have received, from Robert McLachlan of Sears, a safety flag to be put on their bicycle. Throughout the last five months of school these fourth graders underwent a safety program sponsored by the Crawford County Sheriff's Department. Bicycle Safety was a part of that program and Bob felt that the flags would be an appropriate gift for completion. Thanks Bob for the flags! And a special thank you to Steve Walters for the time and service donated to help our young people of Grayling.

Tourism Increases Expected

ALPENA — Tourism sales this summer in East Michigan are expected to surpass the June-July-August period of a year ago, according to the East Michigan Tourist Association.

Members of the EMTA board of directors and area chamber of commerce officials, meeting in Alpena June 20, heard the positive prediction from association executive James Hall, of Bay City. Hall cited national studies by economic groups, national news magazines and travel sales organizations in his prognostication. Among them was the Discover America Travel Organizations, Inc., national trade group for the \$60 billion per year travel industry of the United States.

Richard Schluckbier, EMTA president from Frankenmuth, presided at the one-day meeting hosted by the Alpena Chamber of Commerce.

A new County Commissioner Advisory Board was officially adopted by the EMTA directors which will include representation on the governing group of the association. Earl "Chum" Longworth, chairman of the Crawford County Board of Commissioners from Grayling, made the recommendation in reporting the organizing meeting of the group held at Houghton Lake June 6. The commissioner board will be officially organized at the EMTA annual convention.

Schluckbier also announced an EMTA membership drive to be held Sept. 12. William Palmer, of Saginaw, will be drive chairman. He is an EMTA vice president.

EMTA executive Hall reported a record number 474,000 travel-creating East Michigan publications being printed and distributed by EMTA since the winter season. EMTA received a national printing excellence award from Consolidated Papers, Inc. for its 1974 issue of the East Michigan Vacation Guide, the 120-page full color booklet that sells vacations in the East Michigan region. Some 60,000 copies have been distributed throughout Michigan.

Assistant Vice - Pres.

The advancement of a First Savings branch manager to assistant vice president has been announced by William F. Lawrence, executive vice president of the Saginaw-headquartered Savings and Loan Association.

The new assistant vice president is Gary J. Myles, manager of First Savings' branch office in Cheboygan.

Myles, a native of North Bay, Ontario, joined First Savings' main office mortgage department in 1970, and was later appointed assistant manager of the Association's State Street office in Saginaw.

Myles received financial training courses at the American Savings and Loan Institute, and has taken management training instruction through the American Savings and Loan League. He is past president of the Saginaw Valley Chapter of the American Savings and Loan Institute. Active in civic affairs, Myles is a member of the Cheboygan Kiwanis Club and works on local United Way fund-raising campaigns. He has worked with various Junior Achievement groups in an advisory capacity.

Myles lives with his wife Rosemary, and daughter Stephanie Lynn, 2, at 207 S. Bailey in Cheboygan.

The new assistant vice president will continue to serve in his present capacity as manager of the Cheboygan branch, according to Lawrence.

Jim Tobin, son of Mrs. Eileen Greene, is playing baseball for the summer with the Shenandoah Valley League in Harrisburg, Virginia. He will return to Central Michigan University in the fall for his junior year.

Two graduation parties honoring Mary Liz MacNamara and their foreign exchange student, Isabel Targino, of Fortaleza, Brazil, have been given by Mary Liz's parents, Mr. and Mrs. Larry MacNamara. The first was following Baccalaureate for friends and classmates and the second one on Sunday, June 23, when about 50 relatives from Bay City and Pinconning held an all-day family picnic at the MacNamara home.

Mr. and Mrs. Nelson Miles spent four days in Birmingham.

Mr. and Mrs. Howard Taylor and family and Mr. and Mrs. Vaughn Sherman and family spent one weekend in June at Cedar Point, Ohio.

Mr. and Mrs. Ronald Taylor, of Jackson, spent a week at their daughter's, the Howard Taylors.

Sandy Millikin, of Holt, daughter of Mr. and Mrs. Floyd Millikin, of Grayling, left on June 24 for Hawaii where she will be taking a post-graduate course for 4 weeks.

Mr. and Mrs. Kenneth Shepard of Lesley Drive planned to spend the first week of July at Camp Michigan on Peach Lake near West Branch. Their guests will be Mr. and Mrs. John Shepard of Flint and Mr. and Mrs. Kenneth Vance of Lansing and Higgins Lake.

Mr. Douglas Bishop, of Norwalk, California, spent a week visiting his mother, Mrs. Matilda Bishop. Before coming to Grayling he had attended his 35th class reunion at Shaker Heights High School in Ohio and had also visited his aunt, Mrs. Philip Boucher, in Grosse Ile.

Mr. and Mrs. Paul Thomson were in Whitefish Bay, Wisconsin, to help his sister and husband, Mr. and Mrs. Ed Wealton, celebrate their 25th wedding anniversary. It was a surprise to the couple and a family reunion for the Thomson family. On their return, they visited their nephew, Tom Thomson, son of Mr. and Mrs. Jack Thomson, at Lake Bluff, Illinois, where he is a tennis pro and manager of the Racquet Club. They dropped off Steve and Mark Thomson, also sons of the Jack Thomsons, in Kalamazoo.

Miss Shelly Rosin, daughter of Mr. and Mrs. Bill Rosin (nee Jane Milnes) of Portales, New Mexico, is spending the summer with her grandmother, Mrs. Roy Milnes, and working at the Arrowhead. Shelly is a senior in Home Economics at Eastern New Mexico University.

Miss Becky Kangas, daughter of Mr. and Mrs. Don Kangas, is attending summer school at Michigan State University. Becky is a music major.

Mr. and Mrs. Marius Hancock visited her mother, Mrs. Edna Berry at the Reus Memorial Home in Petoskey.

Mr. and Mrs. Don Ferguson have as their guest for two weeks - her nephew, Jeff Knight, son of Mr. and Mrs. Michael Knight, of Plymouth.

The Avalanche staff goofed. Fay informs us that Helen Catlin is a cousin of Jens Ziehell, not his sister as we stated in last week's issue.

HONOR STEWART MEDAL WINNER

—SSG Curtis S. Rehn, of L'Anse, and a member of Det. 1, Co. A, 107th Eng. Bat., was selected as the best all around soldier of the Michigan Army National Guard. He was selected from a group of five winners of regional competitions held in May. MG Clarence C. Schnipke, Adjutant General of Michigan, presented the Stewart Medal to SSG Rehn during the annual parade of the 46th Engineer Group at Camp Grayling, Friday, June 21. SSG Rehn was honored with a luncheon sponsored by the Chamber of Commerce at the Chief Shoppenagons Motor Hotel last Friday. He was presented with a Bear Trophy Bow, by Al Beatty, executive Vice-President at Bear Archery, and outfitted with a complete Archery set, plus several gift certificates from local merchants. New 8-Week Lottery Game

The Bureau of State Lottery today unveiled a new 8-week lottery game with a \$1 ticket which goes on sale July 16. The first weekly drawing is July 25.

The game, called "Jackpot," offers an option of a top prize of \$20,000 per year for life or a third of a million dollars (\$333,333) in cash. That amount is guaranteed to the estate of the winner if the installment plan is selected.

Jackpot differs from the regular 50 cent game (which continues unchanged) in that each \$1 ticket contains eleven possible winning numbers and all prizes are in cash. Each number appears below a prize designation which determines the prize won if the number matches one of the winning numbers drawn.

There are two 3-digit numbers on each ticket which could win \$50 prizes, four 5-digit numbers which could win from \$1,000 to \$4,000 and four 6-digit numbers which could win weekly prizes of \$10,000, \$20,000, \$50,000 or \$100,000.

The eleventh number is the "Jackpot" number, appearing at the top of the ticket. Matching the 6-digit Jackpot number guarantees a weekly ticket holder of at least \$20,000 and a spot in the Jackpot Draw-off at the end of the eight week sale. One of the draw-off contestants will win the top prize of \$20,000 per year for life or \$333,333 cash, while second prize will be \$75,000 and third prize \$50,000.

All tickets not winning a prize in one of the eight weekly drawings are eligible for a special Loser's Drawing on September 19. Several 6-digit numbers will be selected that day and tickets having one of the Loser's Numbers in the Jackpot Number box will win \$2,000 each. There will be dozens of winners.

An added feature of the Jackpot game, Lottery Commissioner Gus Harrison said, is that one ticket can feasibly win more than one prize. While it will happen rarely, one ticket could win up to three prizes by matching the 3-digit, 5-digit and 6-digit number for that week.

A bonus will be built into the current Regular 50 cent game for the next eight weeks as well, with bonus winners playing a game that will determine the winning Jackpot numbers. Tickets go on sale tomorrow for the first of the eight bonus drawings in the 50 cent game, with the first drawing on July 11. Bonus winners receive a minimum of \$1,000 and a chance to earn more.

Regular 50 cent game drawings will still be held at 9:45 a.m. each Thursday. Jackpot drawings will be held later in the day, with drawings taped for replay on CKLW-TV (Channel 9) in Windsor at 5:30 p.m. each Thursday.

Jackpot drawings will utilize the 50 cent game bonus winners who will have a chance to win varied large prizes.

Harrison said the Bureau of State Lottery has based its prize structure on the expectation of selling 1,000,000 Jackpot tickets per week. No significant change is foreseen in the sale of regular 50 cent tickets during the eight weeks of Jackpot.

"Summer is traditionally a 'soft' sales period for all state lotteries," Harrison said. "This special game is intended to offset the warm weather trend."
